

LSRT Student T-Shirt Competition: Call for Entries

The LSRT invites student programs participating in the Annual Meeting Quiz Bowl to take part in the **Student T-Shirt Competition**. This event provides students with an opportunity to showcase program pride, creativity, and professionalism through original T-shirt designs.

Each participating program will submit a **TikTok-style video** featuring its T-shirt design, along with **front and back photographs** of the shirt. Submitted videos will be compiled and presented during the Annual Meeting, with the winning program announced immediately prior to the Quiz Bowl competition.

Submission Requirements

All entries must be submitted **one week prior to the first day of the Annual Meeting** and must include:

Video Submission

- Maximum length of 2 minutes
- May include a creative skit, demonstration, or explanation of the design
- Students may model the shirt and describe the concept
- Content must remain appropriate for a professional audience

Photo Submission

- One high-quality image of the **front** of the T-shirt
- One high-quality image of the **back** of the T-shirt
- Images should be clear, well-lit, and free of distracting backgrounds

Judging

All submissions will be reviewed by the Student Affairs Committee Chair to ensure compliance with competition guidelines. Eligible entries will be evaluated by a panel of three judges using an approved scoring rubric. Scores will be averaged, and the program receiving the highest score will be named the competition winner.

LSRT encourages all student programs to participate and celebrate creativity, teamwork, and professional engagement at this year's Annual Meeting.

Submission instructions will be sent to each Radiography program in the state in early May. Please contact Brittany Smith, Ed.D., RT(R)(CT)(ARRT) at bsmithradtech01@gmail.com with any questions.
